SALMAN

*The Melrose chair* was inspired by the clean, modern lines found in post-war American design and architecture. The crisp lines of the arms and banded back are visually contrasted by the soft curve of the legs, giving Melrose a distinctive, timeless appearance.

Melrose is offered in a variety of options including ladder or upholstered back; panel or no arms; upholstered or wooden seat. A bar stool, bench and full line of occasional tables are available as well.

Melrose's solid white maple frame can be stained in any of Salmar's eighteen standard finishes, or matched to any custom finish.

Small-scaled and comfortable, Melrose is well suited for today's space conscious environments. Simple and elegant, Melrose is ideal for hospitality, institutional and guest seating.
